13                  **ORDER**

14                  [Defendant's Motion to Alter or Amend Judgment.  
15                  (#25).]

16                  Before the Court is Defendant's Motion to Alter or Amend Judgment. (#25).

17                  On August 10, 2012, Ronald Bruce Myers appeared in this court, in custody, pursuant to a  
18 warrant issued by the Eastern District of Washington, Case 2:04-cr-173-FVS (#'s 1 & 3). He was held  
19 to answer on that case and on August 15, 2012, was committed to the Eastern District of Washington.

20                  Thereafter, Mr. Myers sent a letter and filed motions with the court seeking return of certain  
21 property. Initially his requests were denied without prejudice (#13). Thereafter this court received the  
22 transmittal return from the Eastern District of Washington (#15) and this case was closed.

23                  Thereafter, Mr. Myers filed more motions with this court requesting return of property and they  
24 were stricken (#'s 23 & 24).

25                  Now Mr. Myers has filed a Motion to Alter or Amend Judgment (#25), arguing that this court  
has the authority to order the return of property.

26                  The fact remains that Mr. Myers is a defendant under sentence in Case Number 2:04-cr-173-  
27 FVS. His only contact with this court arose from the warrant issued by the Eastern District of

1 Washington. The case opened in this court to process that warrant has been closed. This court has no  
2 jurisdiction over Mr. Myers or the property at issue.

3 Accordingly, the Motion to Alter or Amend Judgment (#25) is DENIED.

4 DATED this 2nd day of October, 2013.
